Since 1931 Mothercraft has been a leader in supporting healthy child development, working with our many community partners to meet the changing needs of families. We are committed to excellence, continually testing new concepts and ideas related to healthy child development. We are known for our ability to translate these critical research learnings into everything we do – from our high quality child care and enrichment programs, to our supports for children and families with special needs, and specialized training programs for child care providers and other professionals. Mothercraft values diversity and strives to create an environment that is welcoming and inclusive.

Program: CITYKIDS is a network of agencies working together to provide single point access, coordinated intake and service delivery to children with special needs and their families. CITYKIDS serves children from birth to 6 years of age, and children from 6 to 12 years of age attending childcare, who reside within the Greater Toronto Area.

Position Description: Reporting to the Director, Child & Family Services, the Service Navigator will coordinate intakes and service navigate to partner organizations who provide support to children (0 to 12) with special needs and their families. The Service Navigator will connect the family to appropriate social service providers as necessary. Other duties will include creating and maintaining case files in a confidential manner, acting as an advocate for the family; representing CITYKIDS on community networks and committees, and conducting outreach and community training.

Qualifications: The successful candidate will have an ECE Diploma or Degree from an accredited institution. The successful candidate must have at least two (2) years of experience working in the field of special needs intervention specifically with children of ages 0 to 12 and their families. Must have knowledge and understanding of Social Services resources in the GTA, and experience with infant mental health. Excellent communication and interpersonal skills are essential for the position. The position also requires demonstrated ability to work collaboratively with community agencies and diverse community groups. Strong organizational and computer skills are also required. Preference will be given to bilingual candidates (English and French).

Qualified individuals are invited to submit their application by **September 18, 2018**. Please quote the following in the subject line either “Service Navigator – Full-time” or “Service Navigator – Part-time”
