

Continuous Professional Learning Labs

As of September 2016, when RECE's register or renew their membership with the College of Early Childhood Educators, they must also begin their Continuous Professional Learning (CPL) cycle.

Do you have questions about when you should complete which piece or have difficulty accessing a computer or the internet? Do you simply prefer to co-learn and plan with colleagues?

If you answered 'yes' to any of the questions above, you might be interested in Mothercraft College's **Continuous Professional Learning Labs - offering onsite staff support in our computer lab!** RECE's can work on their Expectations for Practice module or become familiar with the other components (e.g. Self-assessment Tool Professional Learning Plan and Record of Professional Learning) of the CPL requirements.

Mothercraft College staff will facilitate these sessions and will be available to co-reflect on your goals, strategies, successes, plans and portfolios.

\$25 per session / Register early - spaces are limited to 20 max in each session!

Mondays from **6:00-8:30pm** on:

January 30

April 24

July 17

October 23
