About Mothercraft: Since 1931 Mothercraft has been a leader in supporting healthy child development, working with our many community partners to meet the changing needs of families. We are committed to excellence, continually testing new concepts and ideas related to healthy child development. We are known for our ability to translate these critical research learnings into everything we do – from our high quality child care and enrichment programs, to our services for children and families with special needs, and specialized training programs for child care providers and other professionals. Mothercraft values diversity and strives to create an environment that is welcoming and inclusive.

About The Early Intervention Department: The Early Intervention (EI) Department offers early intervention/children's mental health programs designed to reduce risk and to enhance the development for substance-exposed children (prenatal - 6 years) by providing services which address maternal addiction problems and related issues and the mother-child relationship through community based cross-systemic partnership. The EI department conducts evaluation and research activities focused on issues relevant to the services in the area of early intervention. The Early Intervention Department includes the following programs: Breaking the Cycle, Parent-Infant Program, BTC Pregnancy Outreach Program, CityKids.
