A little about us

Hi, we're Mothercraft, and we're so excited to meet you!

For nearly a century, we've been a trailblazer in promoting healthy child development and supporting families in our community. We're dedicated to excellence and constantly exploring innovative concepts and ideas related to child care and education.

Our approach is grounded in the latest research, which guides every aspect of our work. This includes everything from our high-quality child care and enrichment programs, to our specialized services for children and families with unique needs, and our comprehensive training programs for childcare providers and other professionals.

At Mothercraft, we celebrate diversity and strive to cultivate a warm and inclusive environment that welcomes everyone. Join us in our mission to help children thrive and families flourish!

A little about our Centres for Early Development

At Mothercraft, we are dedicated to providing exceptional child care and early learning experiences that promote healthy development for all families. Our five Centres for Early Development (CEDs) - located in Brookfield Place, Eaton Centre, Robertson House, Midtown, and Avondale - embody this commitment, offering enriching full-day programs

for children aged 3 months to 6 years. With extended hours from 7:30am to 6:00pm Monday to Friday, our CEDs are designed to support busy families while providing a safe and nurturing environment where children can excel.

A little about our EarlyON Child and Family Centre

The Mothercraft EarlyON Child and Family Centre (EarlyON CFC) provides opportunities for children from birth to 6 years of age to participate in play and inquiry-based programs, and supports parents and caregivers in their roles. It offers safe and welcoming environments open to all families. Families and caregivers will be able to find support, advice, make personal connections and access a network of resources.
